

WHOLESALERS MEET

Wholesalers Meeting 2011

Venue: Hotel Vikram, New Delhi

Date: 20th-21st May 2011

The family strength is growing year after year. This year a new wholesaler M/s. Audio and Lights, Raipur joined the family of Ahuja Wholesalers. No wonder the tables become longer! A host of new products were highlighted and demonstrated before the august gathering and some very useful and fruitful feedback received.

Wholesaler meetings provide enough food for thought and opportunity ... how each one of us can put in a little more effort to achieve higher sales and come closest to our targets.

Each of the wholesalers was commended for their hard work during the last financial year.

Thank you - dear wholesalers.

Until we meet Again!
